AUC announces next chapter of leadership

The Alberta Utilities Commission (AUC) is announcing a leadership transition. Bob Heggie will step down as chief executive, effective September 1, 2026, after more than three decades of distinguished service to the AUC and its predecessor organizations. Bob will continue to support the AUC as an advisor on strategic matters until June 30, 2027.

We are also pleased to share that JP Mousseau has accepted the position of chief executive, effective September 1, 2026. JP brings extensive regulatory, legal and leadership experience to the role and is well positioned to guide the AUC through its next chapter.
