Invitation to attend a hybrid power plant application workshop on October 27, 2026

The Alberta Utilities Commission (AUC) will be holding a hybrid power plant application workshop on **Tuesday, October 27, 2026, at 9 a.m.**

The AUC will provide information about its regulatory process and application requirements for new power plants, including checklist applications, highlight any changes to its process and identify common application deficiencies that can lead to increased application review times.

If you would like to participate, please email kloria.wen@auc.ab.ca with the following information:

- Your name.
- Your organization (if applicable).
- Whether you plan attend in-person (at the AUC office in Calgary) or remotely.
- Any specific questions or subject-areas you would like to have the workshop address.

If you have questions about the workshop or the registration process, please contact Kloria Wen at the email above.
