**Enerfin Energy Company of Canada Inc.  
Big Rock Solar Project  
Proceeding 29895  
Applications 29895-A001 to 29895-A003**

**Ruling on request to place proceeding into abeyance**

1. On January 27, 2026, Enerfin Energy Company of Canada Inc. (EECCI) filed a letter requesting that the Alberta Utilities Commission place this proceeding into abeyance until March 23, 2026, and to suspend all associated deadlines accordingly.<sup>1</sup>
2. In its letter, EECCI explained that on December 1, 2025, it was acquired by Atlantica Sustainable Infrastructure, via its Canadian subsidiary Atlantica Canada. EECCI stated that it respectfully requests that the Commission place the proceeding into abeyance for a short period in order to provide Atlantica with sufficient time to fully understand the project economics and stakeholder concerns. EECCI indicated that it will provide an update regarding the applications by March 23, 2026.
3. The Commission has instructed the writer to communicate the following.
4. The Commission finds that granting EECCI's request to place the proceeding into abeyance is reasonable in the circumstances. Consequently, the Commission grants EECCI's request and places this proceeding into abeyance effective immediately.
5. The Commission directs EECCI to provide an update on the status of the applications by March 23, 2026.
6. The Commission will continue to hold the in-person information session scheduled for February 10, 2026, at 7 p.m. at the Heritage Inn Hotel and Convention Centre – Jubilee A Room, 1104 11 Avenue S.E., High River, as indicated in the notice of hearing.<sup>2</sup>
7. The rest of the process steps and hearing will be suspended until further direction is provided by the Commission.
8. The Commission will establish a new process schedule as necessary, should the applicant decide to pursue the approval process further and request that the proceeding be taken out of abeyance.
