

Notice of applications

Togo Lake Solar & BESS Project

Togo Lake Solar Inc. has filed applications for a 400-megawatt solar power plant, battery energy storage system and substation near the hamlet of Chinook

Proceeding 30291
Applications 30291-A001 to 30291-A003

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the power plant, energy storage system and substation development applications in Proceeding 30291. If you feel you may be affected by these applications, you can request to participate and provide input to the AUC before it makes its decision.

You can request to participate by registering and filing a statement of intent to participate by October 30, 2025.

Togo Lake Solar Inc., a wholly owned subsidiary of Enerfin Energy Company of Canada Inc., has applied to construct and operate the Togo Lake Solar & BESS Project. The proposed project consists of a 400-megawatt (MW) solar power plant with approximately 698,500 solar photovoltaic modules installed on a single-axis tracking system, a 200-MW/400-megawatt-hour battery energy storage system (BESS), and a project substation. The project would also include inverters, an electrical collection system and internal access roads. The project would be located on approximately 797 hectares of private cultivated land in Special Area No. 3, approximately 7.2 kilometres southwest of the hamlet of Chinook, as shown in the map below. The applications have been filed under the *Hydro and Electric Energy Act*.

Additional information about the applications

The applications and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website www.auc.ab.ca. Alternatively, for more information about what is being applied for, or for a copy of the applications, please contact:

Participant information

For more information about how you may become involved in this proceeding, please contact us or visit our website and review the information under “Get involved.”

Register to participate by filing a statement of intent to participate

If you wish to participate in this proceeding, please visit our website and log in to the eFiling System, go to Proceeding 30291, and register to participate under the “registered parties” tab. You will be prompted to fill out a statement of intent to participate. For guidance on how to use the eFiling System, please visit www.auc.ab.ca/how-to-use-efiling. Alternatively, please contact us at 310-4AUC (310-4282) in Alberta or info@auc.ab.ca for more information or assistance with filing your statement of intent to participate. The lead application officer, Sophie Jiang, can also be contacted at sophie.jiang@auc.ab.ca or 403-592-4418.

The AUC may make its decision without further notice or process if no statements of intent to participate are received.

Statements of intent to participate must include your name, address, phone number, legal land location, description of your land in relation to the proposed development and a description of your interest in the land, your business, or your activities which may be affected by the proposed project. Please also briefly describe the issues you would like the AUC to consider when making its decision.

Privacy

To support an open and transparent process, information you send to the AUC will be publicly available through the AUC’s eFiling System. If there is confidential information you would like to file, a request must be made in advance of registering to participate.

Issued on September 26, 2025.
